The Price will be around \$1,849.00 per person and may be less based on how many are going to go. This includes the flight from Paris to Dublin!

There are more flights to London with three airports than Paris so flights will be less expensive starting the tour in London.

London and Paris are the two most exciting and expensive cities in the world. This is a great way to experience them at a very good price and be in very good company! As your flight cost is a big part of your trip, make the most of it and see two other countries for the same flight cost!

Please let us know right away if you are interested in going. Sumner Grace is in her third year of French classes so she will be in charge in Paris! Kevin has been to London and Paris many times and will take good care of you as well.

Daniel is very popular in London and has sold-out the most prestigious theatres. Now that he has appeared on London's most popular TV Show, "Strictly Dancing" he is a 'Super-Star!'

Air Travel dates from the US and Canada are July 30, 2016 to London, England and returning on August 14, from Dublin.
